Leadership Northshore is a non-profit 501(c)(3) entity

I believe that my life belongs to the entire community and for as long as I can serve, it shall be my privilege to do so. I want to be thoroughly used up when I die. The harder I work, the more I love. Life is no brief candle for me. It is some sort of splendid torch of which I have a hold of for the moment. My job is to make it burn as brightly as possible before handing it to future generations. ---George Bernard Shaw
